

# The Year Of The Beard

Molly Lewis

Key of A

Intro

**A** **B**  
Think of all the great beards that go back through history  
**D** **E<sup>7</sup>** **A** **E<sup>7</sup>**  
Like Lincoln, Marx, Jesus, and Gandalf  
**A** **B**  
A hairy happy family on a fibrous family tree  
**D** **E<sup>7</sup>** **A** **E<sup>7</sup>**  
The only rhyme with “Gandalf” was “Van Gogh” (also bearded!)

Intro

All we are saying is, give beards a chance  
Y’know, I bet all hair wishes it could be in a beard. (Am I right, ladies?)  
You know, public hair is nothing but a beard inside your pants!  
PG-rated alt: A Chia pet is kind of like a beard made out of plants  
... Nope, I just made it weird. ...

**A** **E<sup>7</sup>**  
Well, let’s just sing about it!

Chorus

**A** **D**  
Beards! They’re like an apron for your neck  
**F<sup>♯m</sup>** **B** **B<sup>m</sup>**  
Beards! They’re like a scarf in every season  
**F<sup>♯m</sup>** **A<sup>aug</sup>** **A** **B**  
(Beards!) They’re there to make sure that your collarbones get shade  
**D** **E<sup>7</sup>**  
A fuzzy fringe just for your chinge  
**A** **E<sup>7</sup>**  
IT’S THE YEAR OF THE BEARD!

Verse

**A**  
I hope you don't find it weird  
**B**  
But I prefer my jawbones unsheared  
**D** **E<sup>7</sup>** **A** **E<sup>7</sup>**  
But I myself cannot grow a beard, just as I had feared  
**A**  
But some faces are just engineered for beards  
**F<sup>#m</sup>**  
And you may find yourself endeared towards beards  
**B**  
So I recommend that you get nearer to beards  
**D** **E<sup>7</sup>**  
And sincerely cheer for beards  
**A** **E<sup>7</sup>**  
IT'S THE YEAR OF THE BEARD!

Chorus

**A** **D**  
Beards! They're like a lion's mane on your face, because they're  
**F<sup>#m</sup>** **B** **B<sup>m</sup>**  
Beards! They're like a horcrux for your manhood  
**F<sup>#m</sup>** **A<sup>aug</sup>** **A** **B**  
(Beards!) They're the bouncer for the party in your mouth  
**D** **D<sup>m</sup>**  
Don't let the hipsters make you cynical  
**A** **A** **G<sup>#</sup>** **G** **F<sup>#</sup>**  
Be your beard short, or downright rabbinical  
**D** **E<sup>7</sup>**  
You should show everyone you know  
**D** **D<sup>m</sup>** **A**  
It's the year of the be-e-ard!
